(1) Performance figures are NAV to NAV, reflect the relevant Class performance in the relevant currency, and as of 31 October 2024 and are net of management fees, fund expenses, FX share class hedging and trading costs. There is no guarantee that these returns will be achieved in the future. For the period from inception on 8th November 2016 through to 10th September 2017, performance results include performance of Ruby Capital Partners LLP (the Predecessor Firm) when it was the Investment Manager of the Fund. Prospective investors in the Fund should make no inferences about the future performance of Infusive Asset Management Inc., the Investment Manager of the Fund on the basis of the performance of the Predecessor Firm. The Fund's investment strategy did not change post the appointment of Infusive Asset Management Inc as investment manager of the Fund such that the performance results provide relevant information regarding Infusive Asset Management. Among other things, the Funds future investments will be made under market conditions that can be expected to differ significantly from the historical market conditions under which the Predecessor Firm's investments were made. For the period from inception to date certain expenses of the fund were paid by the Investment Manager and are accordingly not included within the NAV. In the future, similar expenses will be borne by the fund and will then be included in the NAV. The Institutional A share class was launched 7th November 2016 and was originally called "Share Class "B", its name was changed to "Share Class A" on 19th November 2018, the ISIN (LU1288897876) has remained the same at all times. The Retail B share class was launched 7th June 2016 and was originally called "Share Class "A", its name was changed to "Share Class B" on 19th November 2018, the ISIN (LU1288897017) has remained the same at all times.

(2) Volatility is the annualized standard deviation of the monthly returns. It is calculated from the period 30th September 2023 to 30th September 2024.

(3) For illustrative purposes only. Portfolio characteristics and exposure are position weighted estimates derived from market and internal sources.

(4) This Representative sample (i) has not been selected based on size or performance (i.e. not top 10 holdings) (ii) Selected by Infusive to be a representative sample of industries and geographies currently in the portfolio (iii) reflects positions currently in the fund (iv) is subject to change.
